

SE class 10th sep

GD Topics:

Would you prefer startups vs mnc

Would you prefer to work in India or abroad, what criteria would you choose

E learning vs offline learning

Working alone vs working in a group

Evaluation components:

- 1) Listening skills
- 2) Well communication.
- 3) Clarity, confidence and the content
- 4) Leadership and collaboration with GD team
- 5) Presence and logic of ideas

Rules:

The GD duration is 15 mins long

- 1) Support India , need to have a presence and communication, but summarisation was well
- 2) support india, listening skills, well summarised, need to have listening skills and presence of logic and content to talk about
- 3) Bhargav - India support, future of India, it's our job, passion in prime time, chance to innovate - good listening, clarity and well contradiction
- 4) Harish - (went against) Jumping position easier, started first, improve the existing technical, Real life examples, interactive
- 6) Dhiraj - India support, government help, bharatpe, presence and logic, collaboration with the GD team
- 7) Rugvedh- India support - develop India by working in India, gain knowledge abroad, talk 3 times
- 8) srinidh (went against) - Support foreign, culture discrimination, financial help

Then summarise, each one.
